# Dog Exercise Areas and Responsible Control of Your Dog

## Responsibility Of Your Dog:

If you own a dog, you have a legal responsibility to keep it under control, either within a fenced area on your property or on a leash when in public. (except at designated exercise areas).

Every one is entitled to walk in the neighbourhood without being harassed or attacked by uncontrolled and often \quite frightening dogs.

Even if your dog is well behaved, it can be frightening to other people if it is roaming unattended.

## Rules For Dog Exercise Areas:

Dogs must be kept on a leash in all public places, except prescribed dog exercise areas. However, in a dog exercise area a dog must be accompanied by a person who is capable of controlling the dog/s at all times. A leash is to be carried by that person for the purpose of controlling the dog/s if the need arises.

## Cleaning Up After Your Dog:

Dog droppings are a source of annoyance to other users of footpaths and recreation Areas. Most local governments have local laws that require the person in charge of the dog in a public place to remove their dogs droppings and adequately dispose of it. A bag should be with the Owner all time whilst walking your dog.

## Health Benefits:

- ♦ Walking a dog may act as a buffer against stress.
- ♦ Raise awareness of the health benefits of happy, healthy pets.
- ♦ Exercise for you and your dog has physical, mental and social benefits.
